

Platform Developers' Guide

Previous Version

This is a previous version of the Ed-Fi ODS / API. Visit the [Ed-Fi Tech Docs home page](#) for a link to the current version, or the [Ed-Fi Technology Version Index](#) for links to all versions.

About the Platform Developers' Guide Documentation

This documentation contains detailed conceptual and how-to information for developers creating data platforms based on the Ed-Fi ODS / API. It describes in detail the various components of the solution, and provides guidance on how to extend and deploy the system.

Developers' Guide Contents
