By submitting this form to the Ed-Fi Alliance, our agency is asserting the following:

Our Local Education Agency [referenced above] has an active data exchange in pilot or production usage with the Technology Provider and Product that employs, in substantial ways, the specifications and requirements described in the selected Ed-Fi Certification and includes the data elements selected.

The data being exchanged from or to the Technology Provider and Product is moving from or to another system under control or contract to my organization. LEA-to-state reporting may qualify, if the system considers local use cases as a key part of the design.
