Non-Ed-Fi Alliance Certifications

The page provides information about and links to Ed-Fi-related certifications that are not managed by the Ed-Fi Alliance.

The following certification programs are managed by organizations outside the Ed-Fi Alliance. The programs, certifications, and other information on those pages is not necessarily endorsed by the Alliance and is not the result of a collaboration with the Alliance. Certifications or other marks provided by these other programs are not considered equivalents of or substitutes for a similar Ed-Fi Alliance certification.

State Education Agencies (SEAs):

Arizona Department of Education
- Program details: https://www.azed.gov/information-technology/azeds/developers
