

v3 Student Program > StudentProgramAssociation

This interchange loads students' participation in programs.

The StudentProgramAssociation represents the Program(s) that a student participates in or is served by.

Prerequisites

- Ed-Org (pre-loaded)
- Program (pre-loaded)
- Student
- Student Enrollment

Scenarios

1. Create a Gifted and Talented student program association for an elementary school student.
2. Create a Career and Technical Information student program association for a high school student.
3. Update the beginDate for the elementary student.
4. Update the beginDate for the high school student.
5. Delete the program association for the elementary school student.

(Note: the Program's educationOrganizationId is the Local Education Agency ID)
