The District School List drill-down table displays all schools in the district included in the metric calculation.

The School List drill-down table contains the following information:

- School Name
- Name of [Active](#) Principal*
- Type of School
- School Metric Value
- School Goal for the Selected Metric
- Difference from Goal (i.e., School goal - School metric value)

*If more than one principal is assigned to a school, then the system selects one principal sorted by hire date, last name, first name, and staff ID for the school list.
