

# v3 Student Program > StudentLanguageInstructionProgramAssociation

The Student Program interchange loads students' participation in programs.

The Student Language Instruction Program Association represents the Title III, language instruction program(s) that a student participates in or receives services from. The association is an extension of the StudentProgramAssociation particular for language instruction programs.

## Prerequisites

- Ed-Org (pre-loaded)
- Program (pre-loaded)
- Student
- Student Enrollment

## Scenarios

1. Create a Student Language Instruction Program Association for a high school student.
2. Update the English Language Proficiency Assessment Participation from Not Proficient to Proficient.

(Note: the Program's educationOrganizationId is the Local Education Agency ID)
