v3 Student Program > StudentCTEProgramAssociation

The Student Program interchange loads students' participation in programs.

The Student CTE Program Association represents the career and technical education program(s) that a student participates in or receives services from. The association is an extension of the StudentProgramAssociation particular for CTE programs.

Prerequisites

- Ed-Org (pre-loaded)
- Program (pre-loaded)
- Student
- Student Enrollment

Scenarios

1. Create a Student CTE Program Association for a high school student.
2. Add an end date to the CTE program and service for the high school student.

(Note: the Program's educationOrganizationId is the Local Education Agency ID)
