Platform Tools & Utilities

The Ed-Fi ODS / API platform releases contain various tools and utilities created for use with the Ed-Fi ODS / API platform. Many of these tools are version-specific, so reference documentation can be found with documentation for each specific release of the ODS / API.

Follow the links below to find reference documentation for these utilities:

- **Tools & Utilities for Ed-Fi ODS / API v5.1.0 »**
- **Tools & Utilities for Ed-Fi ODS / API v2.6 »**
